Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Wrotham rd is already congested causing delayed travelled time. The area is currently running at full compacity. Local services such as doctors and dentist will become to over loaded. Schools already running at a good efficiency if the demand is any higher the school will become to over run. Meopham is a high green area allowing children and family to enjoy nature. With the extra traffic from Gravesend adding extra 725 vehicals to our streets will make it unsafe for local children and families. Meopham is a prideful place where we have high amount of elderly that feel safe, taking that community feel from those that have put so much into there community is unjust

Kind regards
