Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object as this is green belt site it is against green belt policy to safeguard the countryside for animal natural habitat . In addition local GP practice are at capacity, traffic would increase to dangerous levels for congestion , pollution and children safety . Flood mitigation as open fields capture water reducing flooding. The unique character of Sole Street and hook green along with local communities will be shattered by excessive impacts on local amenities which are already at capacity.

Kind regards
