Reasons for comment:	
Comments:	This would amalgamate two separate villages together. There is not the infrastructure to support this many houses. The field floods on most winters or periods of heavy rain. The traffic will treble onto the A227 as the top of Norwood lane will be shut off. Also traffic will increase through cobham village which will cause no unto traffic problems. The doctors are already at full capacity and there is no provision for further GP surgery.

Kind regards
