Reasons for comment:	
Comments:	Putting a McDonald's next to a park? Are we trying to kill off our children? Diabetes and obesity are on the rise, children already eat far too much ultra processed food, there is no need to add fuel to the fire. Additionally, could we not support a locally owned business that actually benefits the community? Like a cafe or a gym, or preferably both? We need less McDonald's and more variety. Not to mention McDonalds is supporting Israel.

Kind regards
