Reasons for comment:	
Comments:	The beautiful village of Meopham can not cope with more houses. The roads are too busy now so having more vehicles on the road would overwhelm the roads. Also when it rains the drains flood so this would worsen things with more properties. The wildlife in these fields will reduce and we need our countryside to help the environment and wildlife. The NHS hospital and GP can not cope with more patients in the area. The shops and schools can also not cope with any further properties

Kind regards
