Reasons for comment:	
Comments:	I strongly object to this. This will affect the wildlife, the roads already are so busy and dangerous. The A2 is jammed on a daily basis, coming off the A2 at the A227 junction is backed up onto the A2 which makes it extremely dangerous and the A227 cannot cope with the amount of traffic. We cannot get Dr's appointments as there is not the capacity. The shops car park is so busy and also dangerous with too many cars manoeuvring in a small space. The hospitals cannot cope. I have been referred and the hospital have said this is over a years wait. This is not acceptable and will only get worse with more houses and residents.

Kind regards
