Reasons for comment:

Comments: I think this idea is absolutely ridiculous. We moved here because it's a nice quiet little village and now you're potentially sticking another 725 homes Next Door which the traffic is bad already. It will make this area carnage we was told when we moved in that none of this land could be built on. The average household has two cars that's another 1400 cars where the hell is everyone gonna go?

Kind regards
