Reasons for comment:	
Comments:	It is not needed, unfair and is only being done so 1 person can make a profit. Why should the whole of lower Higham be made to suffer, so a single individual gets rich. The disruption , pain, loss of wealth to those affected in a financial crisis, so 1 person can prosper is immoral. The whole programme has no merit and should be re-thought. Every week there is a new negative impact to an entire community, for the sake of one person's averice. Totally corrupt. There should be a government review.

Kind regards
