25th April 2026

Dear Sirs

Re 'Homelea' Farm, Green Farm Lane, Shorne, Gravesend, DA12 3HL
Retrospective application for change of use from agricultural land
to commercial vehicle park with reduction of ground levels and
addition of hard standing. Ref: GR/2026/0076

The Society would suggest that conditions are imposed limiting the number and size/weight of vehicles using the facility – in the interest of amenity and to limit traffic hazard. The planting of trees to screen the site should also be considered.

Yours faithfully

Mrs P Lippiatt
Hon. Secretary
