

6.2.25

Ref. 20241164.

Dear madam,

I wish to register my objection to the proposal of a traveller caravan site on White Post Lane Cobham.

The wanton & wilful damage to the lane in their pursuit of the siting of the building in White Post Lane bodes ill for the care of the local surroundings.

The road is clearly unsuitable for the above due to its tight turns & narrow width.

yours faithfully,
