Comments Details

Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: As a local resident, I fully support the planning application for extended hours of the bakery. Not only will it provide additional convenience for the community, but it will also contribute to the local economy by attracting more customers and potentially creating job opportunities. Additionally, having access to freshly baked goods throughout the day and evening will enhance the overall quality of life for residents.

Kind regards
