Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is a ridiculous application:- Wrotham Road is already carrying much more traffic than it is capable of supporting and, when the new Thames crossing is opened, all of the roads in the area will become a 'rat run'! Schools, doctors, water supply, drainage and other local amenities are full to capacity. We would be losing valuable farmland, which can never be replaced, leading to flooding and loss of habitat for several threatened wildlife species. It would combine Meopham with Sole Street turning two villages into one town.

Kind regards
