Reasons for comment:

Comments: To whom it may concern,

Although not living in the parish anymore, as a former licensee of the Kings Arms in Meopham I do know the area well and understand the pressure this will put on the local community.

I believe that the erosion of farm land to provide housing is the last thing the country needs right now.

Food security given the current global troubles and the attack on farmers inheritance rights should be of national concern. Other sites should be considered first.

For this reason I object to the proposed plans.

Regards,

Kind regards
