Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to planning application 20260207 as it will have excessive strain on local services such as GPs, hospital, schools etc. The area has insufficient sewage and drainage systems and the roads are always flooding. It will have a negative impact on listed buildings and the look and feel of the village. There is no infrastructure in place to cope with the increase in the volumes and speeds of traffic.

Kind regards
