Comments:	Hi, whilst I enjoy McDonalds food I've lived beside one previously in another borough, the noise pollution and waste pollution will not be tolerable as most visitor will just leave litter everywhere. There is a lovely park there will this just become another area to litter as some people do not care about their rubbish. The other factor is that its very close to St George's School. I know if you order McDonalds, they ask do you live by a school? I live by the new Chicken shop by Cross Lane East and the amount of school children there at lunchtime shows McDonalds being closer will mean more easier access to burgers etc. We already have two McDonalds in the borough do we need a third? Is this a good use of this space creating additional traffic in an already busy area.

Kind regards
