Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to these houses being building of these houses that boarder my property not only will they block my view i feel looking at the side of houses will completely take away the use of my garden which i use for my mental health the access in school lane will be so dangerous with the approach coming on the brow of the hill and children will have a nasty rd to cross to get to school we simply don't have the infrastructure for all these new houses. with no Doctors or available places in the school the country lanes that will have to take all the extra cars in a small village will just not be safe the thought of the sewage pump just down from my garden is a terrible thought when it goes wrong like the surrounding villages with these pumps quite often do the smell will make our gardens unusable i strongly object to this planning application

Kind regards
