### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the dwelling being used as a residential care home. This is a business activity being proposed in a residential street which is not what these houses were built for. We know of similar examples where unfortunately this kind of model to use residential properties as children's homes has not worked in practice, causing distress to everyone concerned.

Kind regards
