Reasons for comment:	
Comments:	1. This land has already changed from orchards to grazing land. My concern is that with constant change of use it will loose it's agricultural status. 2. Increase of traffic. A narrow lane in constant use from residence walking to and from school, bus stop and train station. Also used by a large number of horse ridders. All at risk from increased volume of cars. 3. Since the dog park has been open, the noticeable noise from dogs barking and shouting coming from the park, which is unacceptable as it backs onto residences property.

Kind regards
