Reasons for comment:

Comments:	I object to this proposal for the following reasons: The proposed site is valuable, productive, high grade agricultural land and should be allowed remain so. I am not a Meopham resident but use the A227 regularly. Driving through Meopham can be difficult at the best of times but a potential addition of another 700 cars plus the extra service and delivery vehicles that this would attract, can only exacerbate the situation, especially at school drop off and pick up times when traffic already grinds to a halt. The area by the George Inn is particularly bad at these times and larger vehicles struggle to pass each other. Along with the other proposals for building in Meopham, the population would likely increase by a third. I would like to know how the local GP and NHS services, which are already struggling, are going to cope!
