## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I would like to object to this planning application because Longfield Road is unsuitable for this type of development as it is narrow with cars parked each side and becomes even more congested at school start and finish times.</p> <p>The proposed development is next to Helen Allison School for pupils who are highly sensitive to stress and sensory overload and therefore require a quiet environment. I believe the construction work would cause them considerable distress as would the increased traffic once the project is completed.</p> <p>The proposed development is on high grade agricultural land and is not in keeping with government policy that brownfield/greyfield sites should be developed rather than high grade agricultural land within the green belt.</p>

Kind regards
