Reasons for comment:

Comments:	<p>Any additional properties in this area will create further chaos due to very obvious reasons and also will make the area (that was once a village) be less pleasant to live in. The main reasons being as followed:-</p> <ul style="list-style-type: none"><li>- the pupils of the SEN school require somewhere to attend that does not create any additional stress</li><li>- Longfield Road is already constantly used by heavy vehicles and normal traffic. It can not cope with additional traffic. It is already a dangerous road due to the change in speed limit from 50mph to 30mph. During school times I believe the traffic would be at a complete standstill - it's bad enough already.</li><li>- Lower Thames Crossing traffic also needs to be considered</li><li>- the additional people will also totally overpower local amenities such as shops, trains, schools, medical centres, hospitals, dentists, garages (the list could go on)</li><li>- last but not least. This is Greenbelt and so should stay this way especially when there are other derelict buildings in the area that should be utilised.</li></ul>
-----------	---

Kind regards
