Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to the above erection of 350 houses with vehicular access from wrotham road as it will significantly increase the traffic volume in an area already experiencing congestion due to local shops / schools particularly during peak hours hence compromising traffic safety.</p> <p>The development would negatively impact the visual landscape and will result in loss of green space and natural habitat for local wildlife.</p>

Kind regards
