Reasons for comment:

Comments:	<p>A227 cant cope when it rains it is so narrow in places it floods always traffic lights there is always hold ups. Buss service is impossible. At school time the roads go down to single lanes Doctors are at capacity lucky not to wait a week for an appointment. The community will suffer and carry on suffering farm land needed to feed our future children is being taken away and we will have to import more. It will be a dangerous access to and from the a227 The George Inn that is an accident waiting to happen. There will be terrible accidents there. THE A227 IS REALLY A COUNTRY LANE.</p>
