Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Dangerous access onto a rural lane Planned development on high grade land farmland which contributes to food production Greenbelt land A227 through Meopham is already very busy with huge congestion and local side routes already become gridlocked when accident or roadworks on A227 Additional strain on on already overstretched doctors Limited bus services and already very busy/overcrowded trains at peak times

Kind regards
