Reasons for comment:	
Comments:	With an additional 120 houses and potentially 240 vehicles there is a serious danger to the children attending Meopham Primary School and Helen Allison SEN school. There is congestion now and with the addition vehicles this will increase to a dangerous level. There are many HGVs using Longfield Road which will increase. The removal of the green spaces around this area will be disastrous for wildlife and to children and vulnerable citizens.

Kind regards
