Reasons for comment:	
Comments:	<p>I object to the above erection of 120 residential dwellings adjacent to longfield road.</p> <p>The Longfield road near the school is very narrow with cars parked on the road, it becomes dangerous to drive especially during term times. The Helen Allison school is a SEN school and it is essential and important that this area remains noise free to avoid causing distress to the school pupils.</p> <p>Also if start building houses on agricultural land our future generations are going to suffer the effects of climate change and food prices going up.</p>

Kind regards
