Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>The parade (shopping area) is already quite stressed and public are unable to find parking spaces. More importantly it is becoming a accident prone area hence there are safety implications.</p> <p>The surrounding area is also an agricultural belt with a few farms. With food shortages and inflation, we should avoid making it polluted with implications on farming.</p>

Kind regards
