Reasons for comment:

Comments:	<ol style="list-style-type: none"><li>1. Our Meopham roads cannot take anymore traffic and this development will add an additional 700+ cars to the roads which is dangerous and will cause constant major traffic congestion and an accident black spot.</li><li>2. Our GP and NHS services are already under strain and any additional people will make it even worse.</li><li>3. Our schools are over subscribed and cannot take further capacity.</li><li>4. This farmland should be used for food production and not houses.</li><li>5. The impact of all these houses will damage Meopham beyond repair.</li><li>6. This development needs to be refused and you need to prioritize brownfield sites instead.</li></ol>
