Reasons for comment:	
Comments:	This is greenbelt land which has not been released from the greenbelt boundary. Alternative land that is not on greenbelt land should be found in an alternative location (not Meopham). Meopham is a village and should remain so with greenbelt land protected.
	This development would bring additional traffic to an already busy route in and out of Meopham. Traffic would be gridlocked. Local side roads are inadequate to support additional traffic.

Kind regards
