Reasons for comment:	
Comments:	<ol style="list-style-type: none">1. Our Meopham roads cannot take anymore traffic and this development will add an additional 250+ cars to the roads which is dangerous and will cause constant major traffic congestion and an accident black spot.2. Our GP and NHS services are already under strain and any additional housing/residents will make it even worse.3. Our schools are over subscribed and cannot take any further capacity.4. This quality farmland should be used for food production and not housing.5. The impact of all these houses will damage Meopham beyond repair.6. This development needs to be refused and you need to prioritize brownfield sites instead.

Kind regards
