Hi my name is [REDACTED] and I am [REDACTED]

I would like to vehemently oppose the above planning application . Not only am [REDACTED] of [REDACTED] but I am also a long-term resident of the village. This development is turning the heart of the village centre into what would be now described as an industrial estate and is completely inappropriate for an area that is rapidly losing its rural identity due to lack of planning control.

Many Thanks

[REDACTED]
