Comments Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: It is not appropriate to consider any development between Northfleet and Greenhithe all the while the A226 is closed at Galley Hill. The additional traffic generated would have an unacceptable impact on the local area. This application and any development construction should be suspended until such time as the A226 Galley Hill has been repaired and reopened.

Kind regards
