Reasons for comment:	
Comments:	As someone who enjoys walking the North Downs i have over the years walked the paths in this area though i live outside Gravesham. I note the application seeks a legal determination but i wish to say i feel this building will be out of keeping with this important landscape area and also impact on people using the network of public footpaths. I realise wine groves are now a coming feature of the Kent landscape but feel a more sensitive location for this building should be considered.

Kind regards
