Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I fully support and environmental impact assessment being carried out. This is an area of outstanding natural beauty. If this land is lost forever, the impact on wildlife would be catastrophic on the varied species that call it their home. Also the increase in traffic, in an already busy area would impact existing residents in a detrimental way, adding to pollution and general chaos on the roads. Thank you.

Kind regards
