Reasons for comment:	
Comments:	My concern is and objection to the proposal is the lack of resources to support these new homes and it's occupants. It's incredibly difficult to get a GP appointment, waiting weeks to see a GP. The surrounding traffic on the A2 is constantly heavy with multiple accidents. The constant building of new houses is putting so much pressure on the local hospital and resources. Also, why rip up the beautiful green areas and affect the local wildlife?

Kind regards
