Reasons for comment:	
Comments:	You have the tollgate been empty and derelict coming up to 20 years you have the Gravesend maternity hospital that has been empty 18 to 20 years. Why aren't you considering building on those pieces of land and leave our fields alone? Southern water can't cope, a 227 is becoming a motorway. Our bus service is very poor. You rely on the good services of volunteers to clean up the countryside highways are not even cutting the edges along the road or keep the area clean so how can the council cope with more housing as you're not looking after what you have already?

Kind regards
