Reasons for comment:	
Comments:	I cannot support this application. Gravesham has brown field sites and funding available for their conversion into dwellings, these areas need exploiting before green field areas are used. The local amenities such as shops and schools and doctors surgeries are already overwhelmed with the A227 being frequently restricted and existing residents unable to join the traffic from side roads such as Green Lane. The houses will bring at twice that number of residents, and vehicles, overwhelming amenities and roads. The loss of prime agricultural land and habitation for wild animals is not acceptable and should be stopped.

Kind regards
