Reasons for comment:

Comments:	I think this is too much for our village. There will be FAR too much traffic .The cost to the village would be Immense. Drs would not be able to cope .Schools' would be killed .The Senior sch has just done an addition. Which regarding traffic is lmenese .There should be built on the old hospital site also the site at Tollgate Motel .These are but a few brown field sites that should be considered as a definite. These places have already had people on them .Problem solved also its near to Gravesend town .It would open up the town .Its not in our Interest to build on Farm land at all. We have to eat so why build on farm land at all. Brown feild sites could have flats and houses they would have acesses to a town and parking . We DO NOT WANT BUILDING IN MEOPHAM at all. IT would destroy our wild life and the extra noise would be Awful .The extra dust would set off all sort s of allergies that would Not be necessary. Build only on brown feild sites there are more than the 2 I said about .NOTIN MEOPHAM. WE have to eat it would be killing the food chain.
