

20250220 17.3.25

Further to my conversation on the phone with Mrs Coyle late afternoon today,

I would like to raise a formal objection to a planning application that has been submitted and is

in early stages,

Relating to an [REDACTED] neighbouring property at no 50 whitehill road.

The objections I have are outlined below.

Objection to change of use from a single family dwelling to a 6 person occupancy.

If divided into seperate units , the potential increases with traffic noise and nuisance should be

considered, along with the environmental impact.

Overlooking of [REDACTED] private garden, this will affect the enjoyment of [REDACTED] property, leading lack of

[REDACTED] privacy.

Please keep me informed, and let me know how further to proceed with this

Objection/ enquiry.

Yours sincerely

[REDACTED]
