Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I definitely support this planning as I believe a single dwelling will be an ideal family home for this site and nothing else. the family would enjoy country living at its best. and neighbours would want to see a new dwelling which will increase values of other properties for the area. the site is ideal for a property of this size and nothing else should be allowed to be built or used there.

Kind regards
