Reasons for comment:	
Comments:	My three grandsons live in The Droveway at the top end of the road. They play out on their bikes every day riding round the block. If this building work was to go ahead they wouldn't be able to go outside anymore as would be too dangerous for them to do so. The road is quite narrow with only room for one way traffic due to parked cars and would make road extremely busy for everyone. I deeply object to my grandchildren's life being affected if this work was to go ahead

Kind regards
