Reasons for comment:	
Comments:	We don't want anymore houses build here in our lovely village. We haven't got enough water to cope with it and Istead Rise roads are very busy. Why can't you build all these houses at the old Gravesend hospital which has been derelict for years or the old Tolgate hotel which has also been shut for years, its even falling down!! You'd also be able to built many more housing at these places...

Kind regards
