Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I totally object to this application. It is unsuitable. It's green belt so should be protected. There is wildlife in the woods and surrounding fields. The infrastructure will have more pressure. 200 houses will mean an additional 250 plus cars. More pollution. The school is full. You cannot get a doctors appointment now, The shops are limited and already used by new barn and Meopham residents adding additional pressure Water supplies are already under pressure. The Drove Way is totally unsuitable for construction traffic. The road and footpaths already need attention! Cars are always parked in the road causing narrow areas and blind bends The only entry to the site would make a once quiet residential area very busy. The junction with the Drove Way has poor vision due to houses and parked cars.
