Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Doesn't take a brain surgeon to work out why people are objecting this. No space at the doctors (dangerous levels and lack of supply), dentist, the village cannot cope with traffic when the A2 is jammed on wrotham road, Kent has a lack of water and other places are taking from our reserve, danger of life to wildlife and endangered species. New estate will not be in keeping with current village. Loss of greenbelt.. and what part does this make sense other than feeding the pockets of greedy developers.

Kind regards
