Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	If every single planning application gets approved in Istead rise, Meopham and surrounding areas, wrotham Road will be grid locked. Once our green spaces are gone, they are gone forever, and this particular space is home to so much wildlife that will lose its home. We should be prioritising brown field sites above beautiful fields in every circumstance. Developers are greedy for money and are taking advantage of labours shameful policies, and Gravesham council should be protecting Gravesham, not exploiting it.

Kind regards
