Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The height and depth of the extension will be intrusive along our boundary making it seem like a prison yard. It will block any sunlight from our garden completely between March and October, and will greatly reduce it for the whole of spring and summer. Also there is a 6 inch public sewer running across the garden approx 5m from the back of the house which needs consideration.

Kind regards
