Reasons for comment:

Comments: I would like to know how they are going to do this demolition of the garage. So my bungalow won't get damaged and I will be safe and still have my privacy. The garage is very big with a high roof, it was built on the boundary at the side of my bungalow. Where my bedroom and sitting room windows are and my garden. Will the planning authority carry out a site visit to ensure, my property is safe and my privacy is upheld.

Kind regards
