Reasons for comment:	
Comments:	As a nearby resident, I fully support this application and welcome the opportunity to bring the existing barns at Filborough Farm back into productive use. The proposal would provide three attractive new homes while improving and maintaining the existing buildings and surrounding site. I believe the development would enhance the appearance of the property, provide well-planned gardens and parking, and give the site a positive long-term future. I am pleased to see this opportunity for the barns to be brought back to life.

Kind regards
