**TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015 (AS AMENDED)**

NOTIFICATION OF REFUSAL OF PERMISSION TO DEVELOP LAND
--

To: **Mr Muzaffer Celik**
C/O Ms Hanan Hassan, Barron Edwards Ltd
Barron Edwards, Whitehall Place
47 The Terrace
Gravesend
DA12 2DL

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **REFUSED TO PERMIT** development of land situate at:

38 Windmill Street
Gravesend
Kent

and being **Conversion of the property into 2 x 1-bed and 1 x 2-bed residential flats.**

Your application dated 24th August 2023 is refused on the following grounds:-

1. The proposal would result in the loss of historic fabric and an alteration to the original plan form of the building and the mitigation works that would be required to the building to address poor air quality and noise impact to protect the amenity of future occupiers such as the removal of the existing original/historic windows and replacement with double glazed windows and the installation of a mechanical ventilation system would all be harmful to the significance and character of this listed building. The proposal would therefore be harmful to the architectural and historic interest of this grade II listed building and would not preserve the character and appearance of the Upper Windmill Street Conservation Area but would cause harm to it. The proposal would therefore be contrary to Policies CS19 and CS20 (LPCS), saved Policies TC2 and TC3 (LPFR) and section 16 of the NPPF (2023).
2. The site is situated in the A226 One Way System Air Quality Management Area and on a busy road with high levels of traffic with possible other potential noise sources in the vicinity. Given that the mitigation works that would need to be carried out to the building in order to address poor air quality and noise impact to protect the amenity of future occupiers would not be supported due to the harm that would be caused to the architectural and historic interest of this grade II listed building and the character and appearance of the Upper Windmill Street Conservation Area, future occupiers would not be protected from noise impact and poor air quality. The proposal is therefore contrary to Policy CS19 of the Gravesham Local Plan Core Strategy (2014) and paragraph 130 (f) of the National Planning Policy Framework (2023).
3. The applicant has failed to provide any ecological evidence to inform a habitat regulations assessment to address the impact of the proposed development on the Thames Estuary and Marshes Ramsar site and Special Protection Area (SPA) or offered a financial contribution towards the identified mitigation measures to address the impact of the development on the SPA/Ramsar site. The proposal is therefore contrary to Policy

CS12 of the Gravesham Local Plan Core Strategy (2014) which seeks to ensure that detrimental effects on the integrity of SPA/Ramsar sites are avoided, and also contrary to Paragraphs 180 and 181 of the National Planning Policy Framework (2023).

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **For further information regarding Appeals and to make an application please click the relevant link:**
<https://www.gov.uk/appeal-householder-planning-decision>
<https://www.gov.uk/appeal-planning-decision>

- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

***Householder applications**

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- (b) an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- (i) an application for change of use;
- (ii) an application to change the number of dwellings in a building.

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
