Reasons for comment:	
Comments:	Firstly, Woodlands Park will be decimated with rubbish. We know non local people won't use any bins provided and will just dump their rubbish in the park and surrounding streets. This will cause environment issues for the local area. Cartons and wrappers could harm local wildlife and food waste will attract vermin. There are 4 schools within .5 mile of the site. Schools traffic is already horrendous around the area and will get significantly worse if this fast food restaurant development is allowed to go ahead. There are already 2 McDonalds in Gravesend, a third is not needed. If there is a need for a larger second store, then it should be developed on a retail area and not a residential one.

Kind regards
